FEDERAL PUBLIC SERVICE COMMISSION

NOTICE

Delhi, the 4th April 1940.

The Federal Public Service Commission will hold a joint competitive examination on Thursday, the 5th December 1940, to fill permanent and *quasi*-permanent vacancies which are expected to occur for appointments (1) as Clerks in the Ministerial Establishment of the Government of India Secretariat and Attached Offices, and (2) as Civilian clerks in the Lower Division of the Army and Air Force Headquarters Section of the Indian Army Corps of Clerks during the period from the 1st April 1941, to the 31st March 1942, barring a few vacancies that may have to be filled otherwise.

2. The number of vacancies which will occur during this period is not known at present. All vacancies will be filled in accordance with the instructions in the Home Department Resolution No. F. 14/17-B./33-Ests., dated the 4th July 1934.

It is expected that besides other vacancies there will be about eleven vacancies to be filled by lady candidates.

NOTE.—(i) It has been decided by the Government of India that the employment of lady clerks in offices of Army Headquarters will be restricted to unmarried ladies and widows who will be required to resign their respective appointments on marriage or re-marriage as the case may be.

NOTE.—(ii) Appointment to vacancies in the Army and Air Force Headquarters offices reserved for ladies will be made from among lady candidates who are willing to accept employment there and are eligible therefor. In other cases lady candidates will be offered posts in the manner laid down in paragraph 3 (a) and (b).

3. Subject to the provisions of paragraph 12—

(*a*) Candidates will be placed in the order of their merit in the examination and will be offered posts as vacancies occur.

(*b*) Posts reserved for candidates of a particular Community will be offered to candidates of that community in order of merit.

(*c*) Candidates will, on first appointment to a permanent vacancy or a vacancy expected to become permanent, be placed on probation normally for one year and will, during this period, draw salary at the minimum of the time scale :

Provided that candidates holding substantive posts under Government at the time of such appointment will draw their substantive pay if at any time, during the period of probation, it exceeds the minimum of the time-scale.

(*d*) There will be *two* categories of candidates, (I) those eligible to complete for vacancies both in the Secretariat and Attached Offices and in the Lower Division of the Army and Air Force Headquarters Section of the Indian Army Corps of Clerks, and (II) those eligible to compete only for vacancies in the Army and Air Force Headquarters. Candidates falling within category (I) above are required to state in their application forms whether they are willing to accept employment in Army and Air Force Headquarters or not. Those who answer this question in the affirmative and subsequently decline an appointment in Army and Air Force Headquarters will be relegated to the bottom of the list of candidates considered suitable for employment. They will subsequently be considered for vacancies in civil offices only. They are, however, warned that the chances of another offer are remote.

(*e*) Candidates selected for appointment will, within three months of joining their posts, have to submit to a test in typewriting to be conducted by the Commission. At this test, candidates will have to prove that they can type with accuracy and neatness at a speed of at least 30 words a minute and that they can type with accuracy from manuscript. Those who fail will forthwith forfeit their appointments. Lady candidates will have to pass the prescribed test in typewriting before they join any appointment that may be offered to them.

NOTE.—Candidates are not required to submit certificates of proficiency in typewriting. The fact that a candidate has submitted such a certificate in connection with a previous examination and that it has been accepted by the Commission will not exempt him from having to appear, if successful at the written examination at the typewriting test to be conducted by the Commission.

(*f*) Successful candidates will be medically examined before confirmation in Government service to ensure that they have no disease, constitutional weakness or bodily infirmity which is considered a disqualification for employment in the Ministerial Service. The lines on which the medical examination will be conducted are the concern of the medical authorities conducting the examination and the Commission cannot give any information in the matter.
